have lately agreed not to reckon Sunday in charging for the warehousing of goods. The postoffices, too, are to close in future at 6 P. M. instead of 8, and the two evening letter deliveries are to be abolished.

The quail has begun to respond

Well, if not p stively the best, one of the wisest is he who cheeks disease at the start in his own system. In preserving or restor-ing the heaven-granted gift of health, he deing the haven-granted gift of health, he deserves profound consideration. His example is worthy to be imitated. The complaints which afflet us are largely attributable to a want of tone in the stomach, either inherent or inflicted by ourselves upon that much abused repository of the food that should nourish us. What is its requirement in adversity? A wholesome tonic. None so good, if we rely on experience and testimony, as Hostetter's Stomach Bitters. Unmedicated stimulants won't de digestive viscera, is not to be effected by these. Through the agency of the stomachic named, strength of the entire system is retrenched—dyspepsia and billousness over come. Malarial, kidney, bladder and rheumatic complaints are eradicated by this salutary reformer of ill health.
